1 Summary

Dhiraagu maintained its good start to 2014, despite posting a 4% revenue reduction compared to the previous quarter, which was mainly due to lower roaming revenues as a result of the seasonal drop in tourism similar to prior years. Revenue growth continued from ADSL broadband following the launch of new packages in Q1 2014 and from enterprise and data solutions to the corporate segment. Net profits and earnings per share were 8% lower than the previous quarter due to the revenue reduction and an increase in operating costs, which were partially offset by a reduction in finance expenses. There was a reduction in cash flow before financing due to lower operating cash flows and an increase in capital investment in the quarter. The Company returned a dividend of 434.9m MVR to shareholders during quarter following the announcement of the Company's full year results for the 2013 financial year.

2 Developments during the Quarter

2.1 **Products and Services**

Key products, services and & promotions introduced or conducted during the second Quarter includes:

- Prepaid Plus package revamp, offering reduced call rate and free night calls.
- Introduced 'live streaming' of World Cup Football on Dhiraagu mobile and ADSL network coinciding with the FIFA World Cup.
- Launched 'Dhiraagu Roadha Hadhiya' campaign comprising special IDD rate to call Saudi Arabia, Free Fridays promo for Prepaid, 150Mb bonus on new prepaid connections, Zakat via SMS and Dhiraagu Bodu Hadhiya promo with grand prizes.
- Launched Free ADSL connection promotion for active telephone lines and cables.

2.2 Corporate Social Responsibility

Dhiraagu Maldives Road Race 2014 was held on 6th June 2014, dedicated to help protect children. With 3,000 registered participants it is the largest run in the Maldives and this was the eighth consecutive year of the event. This year, the platform was opened to all interested NGOs in the country working in the area of child protection.

The race acted as a key platform for the NGOs to create awareness and related NGOs raised funds of over MVR 240k.

The company switched to paperless billing and stopped sending paper bills to all residential customers. With online services, launched in September 2012, as a more convenient way for customers to pay their bills, this green initiative is also part of the company's ongoing support for environmental sustainability whilst reducing operating costs.

The "Whistle blowing and Fraud Reporting Policy" was issued to further improve the company's governance. Dhiraagu believes in the conduct of its affairs in a fair and transparent manner by adopting the highest standards of professionalism, honesty, integrity and ethical behavior. The policy aims to protect employees who wish to raise concerns about irregularities within the company and provides a mechanism for employees and other stakeholders to report such concerns.

Volunteered by a group of Dhiraagu employees, around 50 children from the orphanage of Kuda Kudhinge Hiyaa were taken to the Magic Circus of Samoa which was volunteered by a group of Dhiraagu employees. This initiative ensured that the children of the orphanage were given a great opportunity to have a joyful evening whilst enabling Dhiraagu employees to enjoy taking part in a benevolent activity.

6 Legal and Regulatory Update

6.1 GST on Telecommunications Services

The First Amendment to the Goods and Services Tax Act was enacted on 6 February 2014, which required telecommunication service providers to charge GST on the goods and services they supply from 1 May 2014 onwards.

As a result, 6% GST on Telecommunications services was introduced during the Quarter.

6.2 National Broadband Policy

During the first quarter of 2014, the Government announced its plans to introduce a National Broadband Policy. The objective of the policy is to ensure broadband internet services are available to all the inhabited islands, and is expected to be implemented by within 18 months. The Communications Authority of Maldives will advise the details to the Operators.

6.3 Mobile Number Portability

Following the announcement of its plans to implement Mobile Number Portability by the 31st of July 2015, the Communications Authority of Maldives has set up a Steering Committee during late May 2014, comprising members of Mobile operators and the Communications Authority.
